Smart Analog PBX for Small Business

8 / FXO	**24 / FXS**	Voicemail icon	Auto-attendant icon	Call Recording icon
8 CO Lines	24 Extensions	Voicemail	Auto-attendant	Call Recording

Yeastar N824 is a fully-fledged PBX that delivers advanced communications features of a large system to small office. Yeastar N824 maximizes cost-effectiveness with 8 CO lines, 24 analog extensions, 8 SIP extensions, 4 SIP trunks, and the ability to handle calls with your mobile phone. It provides all the features you need in a plug-and-play box, perfectly future proofing your telecom investment.

- **System Capacity**
  Pre-configured with 8 CO lines and 24 analog extensions.

- **Plug and Play**
  Ready to play out of the box with plug-and-play facility.

- **Built-in Voicemail**
  Save important voice messages with built-in voicemail without extra licensing fees.

- **Embedded Recording Capability**
  Record calls to monitor the conversation for various purposes required by your business.

- **Advanced Call Handling**
  Effective call queuing and distribution handle incoming calls automatically.

- **Multi-level Automated Attendant**
  Multi-level IVR makes your company sounds big and professional.

- **User-friendly Configuration**
  Manage the system via user-friendly Web interface without complicate operations.

- **Linkus Mobile Client**
  Connect to the office telephone system with Linkus Mobile Client and stay connected.
